The VEN Mission

To enhance the lives of local communities and their businesses by promoting the equestrian lifestyle; to tell the stories of how interaction with horses improve people's lives; to improve the lives of challenged individuals through the work of the Valley Equestrian Newspaper.

*Marketing surveys indicate a minimum **THREE** exposures are necessary for people to remember a product and change their buying

• Join more than 25,000 hard copy readers each month along with cover to cover reading on the web site by more than 12,000 monthly
• The VE is distributed free to over 400 sites in 25 states.

**Take your products to new western markets when
you place ads with the VE News!**
